

GOY PARTIES?!

With a warm water pool, an amazing staff and fun in the sun, Quality Swimming is a great place to celebrate any special day! Whether it be a birthday party, team party, Troop party or Mother's group, we can provide a party that you will never forget! Our goal is to have fun and be safe!

Party Ages: ALL AGES ARE WELCOME! We will provide life jackets to any child that is not able to swim independently. Adults are always welcome to accompany a child that is not independent in the water. We do not charge for adults to swim and we encourage them to swim with the children. There are no arm floaties or air filled floatation devices allowed in the pool.

Party Schedule: We offer parties at our Boynton Beach and Coconut Creek locations. In Coconut Creek, parties are available on Saturday and Sunday from 2:00-6:00, in Boynton Beach on Saturday from 2:00-4:30 and on Sunday from 1:00-4:00. Parties are 2 hours with approximately the first hour and 15 minutes in the pool and the last 45 minutes in the party area. Additional time can be arranged.

Party Activities: Our party leaders/lifeguards will coordinate the party and help set up and clean up. They can guide the children through pool games and activities, races or just lifeguard and maintain control as the party goers enjoy free swim and playing!

What is included? Special gift for the birthday child, gift for your goodie bags, map to the location of your party and a waiver to be included in your invitations.

Party Fees

Current Quality Swimming Customers: \$225

Non Quality Swimming Customers: \$260

Up to 18 children; each additional \$8
